

IOMC WEBINAR ON: CHEMICAL ACCIDENT PREVENTION, PREPAREDNESS AND RESPONSE

IOMC

INTER-ORGANIZATION PROGRAMME FOR THE SOUND MANAGEMENT OF CHEMICALS

A cooperative agreement among FAO, ILO, UNDP, UNEP, UNIDO, UNITAR, WHO, World Bank and OECD

WEDNESDAY 28TH APRIL 15.00 CEST / 9.00 EDT (2HRS)

This webinar is part of a series of webinars being conducted by the IOMC on four key cross-sectoral issues and as a contribution to the on-going Beyond 2020 discussions. The webinars are open to all interested stakeholders participating in the SAICM/Beyond 2020 process and beyond.

The aim of the webinars is to exchange information and share examples of good practices and policy options in a multi-sectoral context. Each webinar will feature presentations from lead IOMC organizations, as well as a panel discussion and interactive dialogue with participants.
